# This qualification concentrates on the art of precision men's cutting, styling and hair colouring.

## COURSE GUIDE

You will learn how to design precision-based men's haircut structures, the skills and techniques used in accurate classic men's cutting, covering; men's one length and solid haircuts, men's graduated haircuts, men's layered haircuts, with the art of cutting men's hair using scissor over-comb precision techniques, working with combined classic men's haircut shapes, further developing how to combine traditional and classic style cuts.

Detailed cutting using freehand clipper techniques and creating fashion forward styles using tracks and carving is also cultivated.

Cut designs cover everything from fades, shape ups, caesars, flat tops, classical cuts, mode scissor over comb techniques and much more.

For those who wish to add a point of difference to the barber room the technical division covers innovative men's technical services and techniques; the fundamentals

of men's classic colouring and lightening of hair, providing highlighting, retouch lightening treatments and how to neutralise unwanted colours and tones.

From the shine line to the half head of foils and flat matte blue green colour, our expert colourists will show you how. With tips on everything from colour placement, pre-lightening and tone to skin. Metallic grey tones are incredibly topical, with focuses on how to apply a backwash grey toner, an easy win if you're looking for ways to enhance your men's colouring repertoire and appeal to a wide variety of your male clientele.

Everyone loves natural, sun-kissed tones, especially during the warmer months of the year. We show you how to apply a masculine half head of foils.

With expert advice on everything from slice techniques to restoring depth and tone, you'll learn how to create an understated natural colour that maintains masculinity.

With insight and pointers on everything from colour placement, sectioning's, to mid length to ends applications, the porosity of hair and how to use the basic tint application to enhance the shape of your haircuts.

With how to create a subtle veil of warm and cool brown tones against a medium pearl ash blonde, defining and highlighting the curves of a halo haircut. The subtle muted tones you'll create are guaranteed to impress your male clients.

Learn all the tips on how to provide colour placement sectioning, foil highlighting and slice and weaving technique, ensuring that you're able to deliver a complete male grooming service.

In the men's grooming division, we will cover techniques in providing men's general and luxury grooming services, designing and maintaining beards and moustaches, head and face shaves, extending in magnificence head, neck and shoulder massages for relaxation and scalp rejuvenation, and drying and styling men's hair.

In the men's business division you will learn the how's to providing the great barbering salon service to clients, your professional image and professional self-marketing techniques.
