The Men's Barbershop. The Female Barber. It's the Barber Club Where the Cool Girls Cut Hair

COURSE GUIDE

Course Name

SHB30516
Certificate III in Barbering

Job Outcomes

- Qualified Barber
- Men's Stylist
- Men's Grooming Specialist
- Cutting Specialist
- Hair Colour Specialist
- Hair and Scalp Specialist
- Sales and Marketing
- Face and Body Waxer
- Lash and Brow Specialist
- Manicure and Pedicure Specialist
- Body Massage Specialist
- Spa Treatment Specialist
- Skin and Facial Specialist

A chic new breed of men's grooming destination is poised to become the next gender-neutral frontier.

There's something undeniably cool, after all, about dropping into a 1920s-feel vintage barbershop for a swifty, blunt-cut bob or stocking up on sturdy, colourful razors at an under-the-radar apothecary.

For some girls, sifting through a friend's closet in search of the perfect oversize knit or authentically slouchy blazer is second nature by now.

It's not surprising, then, that a chic new breed of men's grooming destination is poised to become the next gender-neutral frontier.

At their best, the latest boys' clubs are fast, easy, and refreshingly laid-back

offering an unfettered alternative to the occasionally laboursome task of monthly maintenance.

From precision-based men's haircuts, covering; men's one length and solid shapes, men's graduated and layered cuts and textures, the art of using scissor over-comb techniques, combining the classics and traditional to the fashion forward.

We cultivate detailed fashion forward cutting using freehand clipper techniques, creating distinct styles using tracks, carving, wet and dry cutting from: Classic Tapers, Fohawks, Pompadours, Bald Heads, Caesars, Low Fades, Mid Fades, High Fades, High-Top Fades, Afro, Flat Tops, Razor Lineups, Shampoos, Classical Haircuts, Beard Trims, Shape Ups, Blowouts, Mohawks and more.

THE RISE OF THE UNISEXED BARBER

For those who wish to add a point of difference to the barber room the technical division covers innovative men's technical services and techniques; the fundamentals of men's classic colouring and lightening of hair, providing highlighting, retouch lightening treatments and how to neutralise unwanted colours and tones.

From the shine line to the half head of foils and flat matte blue green colour, our expert colourists will show you how. With tips on everything from colour placement, pre-lightening and tone to skin. Metallic grey tones are incredibly topical, with focuses on how to apply a backwash grey toner, an easy win if you're looking for ways to enhance your men's colouring repertoire and appeal to a wide variety of your male clientele.

Everyone loves natural, sun-kissed tones, especially during the warmer months of the year. We show you how to apply a masculine half head of foils.

With expert advice on everything from slice techniques to restoring depth and tone, you'll learn how to create an understated natural colour that maintains masculinity.

With insight and pointers on everything from colour placement, sectioning's, to mid length to ends applications, the porosity of hair and how to use the basic tint application to enhance the shape of your haircuts.

With how to create a subtle veil of warm and cool brown tones against a medium pearl ash blonde, defining and highlighting the curves of a halo haircut. The subtle muted tones you'll create are guaranteed to impress your male clients.

Learn all the tips on how to provide colour placement sectioning, foil highlighting and slice and weaving technique, ensuring that you're able to deliver a complete male grooming service.

In the men's grooming division, we will cover techniques in providing men's general and luxury grooming services, designing and maintaining beards and moustaches, head and face shaves, extending in magnificence head, neck and shoulder massages for relaxation and scalp rejuvenation, men's classic and advanced facials, body massage and spas treatments, men's manicures and pedicures, men's lash and brow designing, men's makeup, styling men's hair and so much more.

In the men's business division you will learn the how's to providing the great barbering salon and spa service to clients, your total image and professional self-marketing techniques.

Only Private and Independent Secondary School Students can apply.

♥ Check if You're Eligible

To understand if you are eligible for subsidised training, please contact the Skills SA Infoline on 1800 673 097.

www.skills.sa.gov.au

🔗 About Student Eligibility

Getting a subsidised training place

Currently the South Australian Government is offering more opportunities for you to enrol in a course on the Subsidised Training List.

This means if you are eligible for a subsidised place:

you can access courses regardless of your prior qualifications you can undertake more than one course or short course any training completed during this period will not impact on your entitlement to access a subsidised training place.

School-enrolled students are entitled to access one Certificate II and one Certificate III course while at school.

Eligible Visas

- All permanent residency visa holders
- Skilled – Work Regional (subclass 491)
- Skilled – Regional (Provisional) Visa (subclass 489)
- Skilled Employer Sponsored Regional (subclass 494)
- Business Innovation and Investment (Provisional) Visa, subclass 188
- Safe Haven Enterprise Visa (SHEV), subclass 790
- Bridging Visa A, subclass 010*
- Bridging Visa E (BE), subclass 050 and 051*

- State/Territory Sponsored Senior Executive (Provisional) Visa, subclass 164
- State/Territory Sponsored Investor (Provisional) Visa, subclass 165

Foundation Skills

Before you start training, you may need help to brush up basic skills including reading, writing or numeracy. If you need to you can access fee free foundation skills bridging units or courses. Your training provider will let you know about foundation skills courses if you need them.

Bridging Units

To successfully complete your course, you may need additional learning. Bridging units assist covering gaps in your existing knowledge or skills to make sure you don't fall behind. If you need to you can study up to five subsidised bridging units.

National Skill Sets and Local Skill Sets

National skill sets are short courses made up of one or more units of competency from a training package that are designed to deliver specific technical skills.

Local skill sets are specifically designed as introductory training pathways that help students to find out more about an industry before starting a training course.

There is currently no limit on how many national skill sets or local skill sets an eligible student can access.

We have limited pots each year. Apply now to secure your spot.
