The ultimate foundation for every developing stylist. Giving the new breed of creative hairdressers the complete foundation to create any hairstyle.

From the Afro of civil rights, the flapper and her shingle bob of freedom, the acid yellow buzzcut, Eton crops, to punk and it's mohawks, the long hair of hippies, 'wash-and-wear' bobs, Vivienne Westwood shaves, permanent colour to demi and semi, from sombre' to ombré, wet- lights to highlights, lowlights, babylights and ribbon lights, colour melts, dip-dyes, reverse balayage to balayage, strobing and smudging, fades and tapers, undercuts and pompadours to quiffs, comb overs, crew cuts and faux hawks, top knots and bangs, pixies, tapered layers to long layers, lobs and shags, from smooth to choppy, up to down, from polished to unpolished, symmetrical to asymmetrical the Colour Cosmetics Academy has it all. HAIR.

Driven by Classic Cutting and Styling techniques that are principal for our industry, allowing creatives to progress to higher, more artistic levels of work.

Creatives will learn how to create classic looks with precision that perform

foundations in the cut, art and design for their clients again and again. Incorporating one length, gradation and layering as well as a multitude of style variations on these techniques, this qualification is laden with cutting instruction; guided work sessions and innovative visual based learning.

Focusing on the anatomy and reference points of haircutting, length and projection, angles, elements and principles of design, managing and controlling the hair, designing the haircut, weight lines, natural fall and the shapes of haircuts, base partings, elevations with hands on knowledge on design guidelines, starting points, distributions, finger angles, the construction of haircut plans and assemblies hair movement, designing with face shapes, tools and equipment, consultations, aftercare and homecare recommendations.

Hairstyling is also at its focus with the art of blow-drying, using a variety of

tools and thermal styling techniques: discovering a complete collection of different tools, style trends, from creating curls, waves and volume, to the straight and smooth.

You will discover how to straighten hair using brush techniques and thermal tools alongside curling and texturizing hair, setting hair and using rollers with long hair editorial styling for events, media and productions, with skills in Hair Extension design and applications that turn heads and get length, volume, and fullness for your clients, all most have always wanted. With this mastering how hair extensions can help to fill in gaps, add thickness, and create chemical-free colour and highlights without damage.

Throughout your unique program journey, you will have the opportunity to make an impact in our fast growing industry, supported by our commitment to your growth as a future stylist.

Foundation Skills

Before you start training, you may need help to brush up basic skills including reading, writing or numeracy. If you need to you can access fee free foundation skills bridging units or courses. Your training provider will let you know about foundation skills courses if you need them.

Bridging Units

To successfully complete your course, you may need additional learning. Bridging units assist covering gaps in your existing knowledge or skills to make sure you don't fall behind. If you need to you can study up to five subsidised bridging units.

National Skill Sets and Local Skill Sets

National skill sets are short courses made up of one or more units of competency from a training package that are designed to deliver specific technical skills.

Local skill sets are specifically designed as introductory training pathways that help students to find out more about an industry before starting a training course.

There is currently no limit on how many national skill sets or local skill sets an eligible student can access.

We have limited pots each year. Apply now to secure your spot.
