No dream is too big in the name of HAIR. Expand your creative vision in the world of hairdressing.

COURSE GUIDE

Let us teach you the 'creative all you need to know' about Advanced Hairdressing techniques, knowledge and insights required to work as a creative and fresh advanced senior stylist and or technician that leads and directs teams.

This course is a growth qualification for qualified Certificate III Hairdressers, who want to take their Hairdressing career to the next level.

Designed to further expand and development technical leadership and knowledge allowing for creatives to work inside artistic industry projects, evolving an eye for trends that advance creative works and develops creative

teams through innovation and education. Upskill in technical and style, leadership, art direction, management, recruitment, presentation skills plus advance and enhance your creativity in makeup and innovative hair colouring that sells and still looks beautiful.

Take a new artistic and fashion forward approach to hair cutting, creative longhair, session styling, creative wig design, hair extension art, eyelash extensions, skin treatments, cosmetic tattooing, nail art, and so much more that opens up different gateways to success.

A Hairdresser who achieves this qualification may be skilled in providing specialist services in haircutting, hair design, exciting hair colouring, complex colour correction, hair extensions, chemical texture curl and movement reformation, trichology, session styling, make-up and education.

With a strong emphasis on rising leadership skills that allow hairdressers to provide direction, training and support to colleagues.

Providing up-to-the-minute work skill instructions, improving environments with better planning, organising and learning in the workplace, through rewarded pathways in planning assessment activities and processes for assessing competence.

This qualification also provides creatives with the opportunities and skills to reshape and build new industry talents that demonstrate advanced multi skilled techniques that have the right amounts of expression and creativity to work with fashion photographers and editorial runway experts, designing hair and makeup trends or technically advise, work and educate for hairdressing educational academies, products companies; or independently work as a freelancer.

🔗 About Student Eligibility

Getting a subsidised training place

Currently the South Australian Government is offering more opportunities for you to enrol in a course on the Subsidised Training List.

This means if you are eligible for a subsidised place:

you can access courses regardless of your prior qualifications you can undertake more than one course or short course any training completed during this period will not impact on your entitlement to access a subsidised training place.

School-enrolled students are entitled to access one Certificate II and one Certificate III course while at school.

Eligible Visas

- All permanent residency visa holders
- Skilled – Work Regional (subclass 491)
- Skilled – Regional (Provisional) Visa (subclass 489)
- Skilled Employer Sponsored Regional (subclass 494)
- Business Innovation and Investment (Provisional) Visa, subclass 188
- Safe Haven Enterprise Visa (SHEV), subclass 790

- State/Territory Sponsored Investor (Provisional) Visa, subclass 165

Foundation Skills

Before you start training, you may need help to brush up basic skills including reading, writing or numeracy. If you need to you can access fee free foundation skills bridging units or courses. Your training provider will let you know about foundation skills courses if you need them.

Bridging Units

To successfully complete your course, you may need additional learning. Bridging units assist covering gaps in your existing knowledge or skills to make sure you don't fall behind. If you need to you can study up to five subsidised bridging units.

National Skill Sets and Local Skill Sets

National skill sets are short courses made up of one or more units of competency from a training package that are designed to deliver specific technical skills.

Local skill sets are specifically designed as introductory training pathways that help students to find out more about an industry before starting a training course.

There is currently no limit on how many national skill sets or local skill sets an eligible student can access.

We have limited pots each year. Apply now to secure your spot.
