CERTIFICATE III

beauty services

Develop the skills to begin a career in the beauty therapy industry, where individuals embrace a range of well-developed technical and customer service skills where discretion and judgement is required and responsible for their own outputs. This includes client consultations on beauty products and services.

Graduates will be highly skilled in interacting with customers, providing a range of sophisticated beauty services including; innovative make-up, waxing, manicure and pedicure, lash and brow treatments, cosmetic tanning, classic facials and demonstrating and selling retail skin care and other cosmetic products. As a qualified beautician with a Certificate III in Beauty Services a career can begin within beauty salons executing all practical skills learnt through the qualification and become a key performer working within beauty salons, typically conducted in beauty, waxing, brow and nail salons. General reception areas and executing all duties with retail skin care and make up products, merchandising, client consultation and care. With a strategy of combining experience and studies, we can provide the best pathway to becoming a fully qualified and recognised beautician.
