Aimed to design *and* apply makeup *with* hair styling skills *for* a range of purposes *and* occasions across *the* beauty, fashion, media *and* entertainment industries.

Master the essential makeup & hairstyling techniques.

First, you will learn about product knowledge & kit building, the artists skin guide, foundations, colour theory, selections of the best makeup products, achieving glowy & fresh skin, natural contouring & highlighting, alluring eyes & luscious lips.

How to prepare for the makeup service with professional consultations with the application of Individual & full bar lashes.

Techniques & applications you will learn are; everyday makeup, specialty makeup, special events, the faces of fashion; timeless looks & seasonal trends, creative direction & collaboration, creating the look for showtime, fashion photography, airbrush makeup, all about lashes, makeup for men, makeup for teens, makeup for aging skin, camouflage & corrective makeup techniques, creative avant-garde makeup & fantasy makeup.

All with high end industry knowledge in preparing your makeup work area, pre & post service procedures, scheduling your next appointments, thanking your client & end of day procedures.

We will start from a variety of classic makeup looks, & slowly transform into full faces of Red Carpet makeups using High definition, airbrush & creative techniques. Working with a range or creative designs from the Cat Eye, the Red Lip, Smoky Eye, the White Tightline, the Airbrush No-Makeup Makeup with Glowing Skin & the Natural Eye & to more lavish & artist eye designs & contours.

The second part of the course shows you the techniques of hairstyling with its focus on blow-drying, using a variety of tools & thermal styling techniques: discovering a complete collection of different types, style trends, from creating curls, waves & volume, to the straight & smooth focusing on editorial & event styling.

You will discover how to straighten hair using brush techniques & thermal tools alongside curling & texturizing hair, setting hair, using rollers & designing & applying hair up. Most importantly we will touch base on healthy hair care with a low impact on the environment.

You will also learn the elements of hair design, volumizing, straightening, smoothing & texturizing products. Towards the end we will show you the secrets to scheduling & providing professional & successful client consultation & how to create a master hair service plan.

Styling focuses will be on front cover & event trends & techniques. Transforming hair from wet to styled – straight, transforming hair from wet to styled - face frame, transforming hair from wet to styled - round brush, smooth with movement, smooth, flipped ends, beach waves, glossy waves, half up curls, messy half top knots, root lift waves, mermaid waves, Hollywood glam, bouncy curls, 24 hour curls, styling with bangs, undone waves, full bodied volume with rise, slicked backs, styling with a variation of hot tools, deep waves, voluminous curls, the famous butterfly & event up styling.
