CERTIFICATE II

retail cosmetics

Step into a thriving industry with skills that employers and clients value. You will cover many aspects of the cosmetic business, from practical makeup techniques and skin care analysis to marketing and management with a focus on the bottom line.

As the assistant, you go along for the ride, working right beside the main artist. Certificate II in Retail Cosmetics will examine the **beauty** and **makeup professional** and what it takes to **be successful** in the industry. Improving personal **efficiency** and complying with organisational requirements within a makeup and beauty **environment**.

Further studies in makeup will then incorporate the **evolution of makeup**, tools of trade, colour theory, creating the canvas, facial features, **every day** and special events **makeup techniques** and applications. This is a job that calls for **excellent** makeup skills, with equal flair for providing outstanding **customer** service, the ability to work towards and achieve **retail sales** targets, thrive on team work and collaboration to achieve **results** and be flexible in line with business needs.
